

Need water lines and some electrical repaired in trailer (Oakland)

Location **Maine**
<https://www.genclassifieds.com/x-502187-z>

We need some plumbing and Electrical repaired in an older mobile home Basically need a line run for a washing machine and the outlets are hokey We hired a contractor but he hasn't done anything we asked and need it done asap Great gig for someone who needs cash only a day or 2 worth of work but could be more. As we will be remodeling the kitchen fixing soft spots new insulation underneath Text or email as I work crazy
