Buying a home with today's Home Loan requirements can be a very difficult process. Especially for those with challenging credit, no credit and or a limited amount of Money to invest. I look to provide my "BUYERS" with as many properties as possible through an Owner Financing Program for all or part of the purchase price regardless of their credit, debt ratio, income verification, and other factors that may have prevented them from obtaining Bank Financing. In the event I have a shortage of personal inventory of "Rent to Own" homes, I would like to seek other homes offering the same program from other Real Estate Investor/ Professionals that has Affordable homes to choose from and looking to Sell quickly!

If you as a Private Seller or your Company offers a "Lease Purchase" or "Rent to Own" Program, Please contact me if you are interested in obtaining Hard-working "Buyers" looking for a chance at "HOME-OWNERSHIP". I have Buyers contacting me weekly seeking my help locating these homes. I would like to add your name, contact number and available properties to my List as a selection of homes for my "BUYERS" to choose from prior to putting them in contact with you for a viewing. Your phone number will remain private unless agreed upon or a Lease Transaction is taking place.

Let's avoid Vacant Properties being Vandalized due to lack of "OCCUPANCY"!!! I can help by assisting you with a selection of "BUYERS" that you can Qualify to meet your standards. Do not hesitate to contact me with any questions you may have.
