

Host Family for Foreign Exchange Student

Location **Nevada** https://www.genclassifieds.com/x-502338-z

I am a Regional Director for Face The World and we are asking for your help. We have several students who still need host families for the up coming school year. If you have ever thought about hosting a Foreign Exchange student before please consider it. I have 2 exchange students of my own and they are truly my kids. They have both changed our lives forever and my kids tell me all the time how much they have enjoyed having them and they have enjoyed learning a second language.

I have several boys and girls ages 15-17 who are ready for a host family to open up their hearts and give them a home for the school year. Please let me know if you would be willing to be that person. You can either PM me or comment below.
