I'd like to play with like-minded musicians around my age (early-mid 20's). I'd like to be able to make a living playing our music so if you're in that same mindset, then feel free to hit me up. As far as style goes, I like playing heavy without necessarily being metal. My stylistic influences include: Queens of the Stone Age, Smashing Pumpkins, Mastodon, Jack White, The White Stripes, Kyuss, Royal Blood, The Strokes Nine Inch Nails, Led Zeppelin, The Black Keys and some punk/blues/and jazz influences thrown in for added flavor.

Here's a couple links to some songs I've done:
