Have you ever heard of Mystery Shopping? I work for ACE Mystery Shopping, and we are looking for people in your area to do Menu Audits for us. In case you aren't familiar with Menu Audits all you do is take pictures as an undercover customer and attach them to a survey.

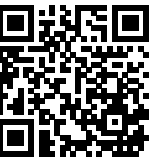

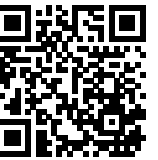

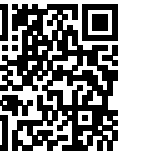

ACE Mystery Shopping has been a company since 2001, improving customer service all over the U.S. and Canada.

There are scams out there and here is a few ways to tell a scam from the real deal:

- 1) Offers a large sum of money. Most of our shoppers do this for the perks and extra cash. It's not going to make you rich but it is fun and rewarding.
- 2) Anyone that asks you to pay a fee to become a shopper is also someone you should run away quickly from!
- 3) Subtle grammatical errors
- 4) Google phone numbers

Those are just some ways to tell. If you would want to become a mystery shopper for ACE please

contact me for more information! I will be happy to help!
