

Dog cratehouse (Lee)

Location **New Hampshire**
<https://www.genclassifieds.com/x-502391-z>

Very nice dog crate or house. 36"x29"x25". Gate does open and shut and has wire pole to keep closed but no working lock. You can get a replacement gate on Amazon for \$7 if you want to replace it. Crate itself is in excellent condition. Great for large dogs up to 100 lbs. Located in Lee but can meet in many cities. Dog not included. Asking \$25 or.
