This is our timeshare and we we can't use it this year. (June 27-July 4) Ogunquit means "Beautiful Place by the Sea" and this truly is. It's located just a short walk from Perkin's Cove and the historic Marginal Way and beaches. The timeshares are in an old New England hunting lodge that was turned into apartments and just a few timeshares. It has again earned the R.C.I. Silver Crown Resort status. It's just an hour north of Boston (great day trip) and about 45 min south of Portland. Unit 11 is quite spacious 2 bedroom, 2 baths, sleeps 6. We're asking \$750 for the week, approx. 60% less than what it would cost if you rented the units at Hillcrest Resort for a week. Call for additional info or send email.
