Location **Maine**

Hi,.....am trying to get back" home" to Maine. Would love to find a place for about a year or maybe longer,..hopefully on some sort of waterfront. If you have a camp that you don't use,.. or plan on being away and need someone to watch your house / home , perhaps this might be good for both of us. Am neat , handy and respectful of others. My references are impecable. You would not be dissapointed. I do have a small toy dog that does not shed,..nor does she cause any damages. Really would like to be near Belfast , E.Holden, Lincoln or towns nearby such. There is a lot of flexibility as to locations. There must be someone out there who needs help to keep the camp, cottage etc. in great shape. Please give me the opportunity to care for your property as I would my own. Would also consider eventually buying your waterfront camp, cabin,..if at some time you wish to sell. Am willing to do some work and / or pay you rent. If this piques your interest,..let's talk. Thank
