I am a hard working, single mom. I have a rescue boxer mix and a 1 year old son. I am expecting in fall of 2015. I can provide references for income, housing and my dog. I can afford no more than \$900 per month with basic utilities included. I am happy to tell you what I do, what my situation is etc. Just ask (:

My dog is 4 years old, fixed, up to date on shots, and currently being treated for cancer so he should not be a problem to anyone especially your property. He does not chew or destroy things. He prefers to sleep if not outside soaking up sun.

Looking to stay near standish, but will consider buxton, gorham, windham, limington, baldwin, sebage. Thank.
