

MISSING PEACOCK (FENTON)

Location **Missouri** https://www.genclassifieds.com/x-502474-z

MALE PEACOCK missing since Friday 3-26- 15 location, Fenton / High ridge area near Sugar Creek and HWY 30. His hen is missing him. He has about a 4 foot tail. If you have seen him call Irene Thanks Much.

UPDATE; there is now a young PeaHen on the loose. It is also from Fenton area, not mine but I know the owner. If found call me, I will contact owner,

Thanks.
