Location **New Hampshire**
<https://www.genclassifieds.com/x-502549-z>

NURSECARE TRANSPORTATION has MULTIPLE OPENINGS and is hiring Dispatchers, Drivers and Monitors (Safety Attendants riding with clients).

Apply now at: <http://www.nursecaretransportation.org/medical-transportation-careers>

NURSECARE TRANSPORTATION is based in Methuen, MA and operate a fleet of fully-equipped paratransit vans, sedans and minibuses, providing services to clients in the Merrimack Valley and Greater Lowell areas.

NURSECARE TRANSPORTATION promotes the independence of seniors and persons with disabilities through community based transportation. Our friendly, safe and reliable services help people maintain healthy, mobile and connected lives.

Brief Descriptions of positions

Dispatchers: Dispatchers are the main line of communication between the office, clients, programs and drivers on the road. They relay information, and help operators determine the best course of action for all scenarios.

Dispatchers are expected to be familiar with safety and operating procedures. As well as provide service in a professional, courteous, manner when interacting with all stakeholders. Their duties include: assisting the Transit operations manager and line supervisors with the controlling of movement of fixed-route vehicles, accepting calls requesting general information, and ensuring timely, effective, safe service at all times.

Van Operator (Driver/Monitor): The Driver/Monitor is the front-line provider of service for the organization. The Driver/Monitor is responsible for the safe, caring, and efficient transportation of all riders under his or her care, and for maintaining a professional, courteous demeanor when interacting with all staff, programs, and riders.

Functions

- Operate the vehicle, including vehicle, and the equipment in the van, and the driver at the wheel.
- Provide courteous assistance for to clients about the and report incidents or problems to the Operations Manager.
- Reliably adheres to the schedule, and operates in conformance with all policies and procedures.
- Cleans the vehicle as necessary, perform daily vehicle inspection and report problems.
- Maintain accurate records of all trips, including riders, times, mileage, fares and donations, and other data.
- Attends trainings and maintains up-to-date certifications, including a MA Drivers License, First Aid, CPR, Defense Driving, Passenger Assistance Techniques and other certifications as required.
- Performs other duties as assigned, and continues to foster an atmosphere of safety and professionalism.
