Our big, sweet, approximately 9-year-old, short-haired, male tabby disappeared on Dec. 6 when a family member got very ill and the EMS squad came to help. During that time, the door was open for awhile, and we are afraid that "Dooby" panicked with all the noise, activity, and unfamiliar people in the house, and ran out the door. He has never been outside, and we are afraid that he will freeze or starve to death or get run over by a car. Unfortunately, we don't have a photo of Dooby, but the accompanying photo of another cat (a gray tabby with black stripes) looks very similar to him. He was lost in the area of East 200th and Ball in Euclid, Ohio -- and someone thought he saw him on Morris Avenue near East 215th on Dec. 15. We are desperate to get Dooby back, and will pay a \$100 reward for his safe return. We will even pay a \$50 reward if your information leads us to find him and get him back. If by some chance you took him into your home and want to keep him, we love him enough to give you \$25 if you show him to us and we know he is Dooby. Although we would like to get him back, it would at least ease our minds that he is alive and well -- and that is the most important thing to us. We are praying every day for the good health, safety, and happiness of this wonderful!
