

APARTMENT WANTED (West Fargo)

Location **North Dakota**
<https://www.genclassifieds.com/x-502761-z>

I am in desperate need of a 2 bedroom apartment for my two children and myself. I was married to a deadbeat who never worked to help me pay any of our obligations... so I paid the rent and it was always on time. However, when I left him, he never paid the rent. As a result we were both evicted because we were both on the lease. Now no one wants to give me a chance. I am guaranteed Section 8 Housing Assistance. If someone knows of anything or anyone willing to give me a chance, I would be ever so grateful.

Thank.
