I have a one year old female leopard gecko that I need to rehome. She is amazing. And I really don't want to but I'm moving many states away and I can't bring her. Her name is Esther. She is very sweet and friendly. I handle her frequently. She's been eating mealworms every other day. She will come with a really big 20 gallon long aquarium. With a very nice screen cover, under the tank heat pad, thermometer, hides, lots of vitamins, any worms I have left, etc. I'm looking for a 50 dollar rehoming fee. Or best offer. Please know your care about leopard geckos. They are great.
