Ride Offered Going West to Glacier National Park, Montana

North Dakota Location https://www.genclassifieds.com/x-502898-z

Hello there,

Headed out to Glacier National Park in Montana on June 22nd and looking for someone to help out with gas and have a chat along the way. You can check out the intended route on Google Maps.

My idea is to pitch a tent where possible and make the trip in 2/3 days, doing about 6/7 hours a day. In Bismarck, ND I will make a longer stop because I have a friend there. Obviously we can talk more about the details.

Let me know if you're interested in any part of the trip!

Thanks and have a good one!

Best.
