We are needing to rehome our 10 week old male min pin jack Russell cross puppy. He has had his shots. He is very lovable, energetic, and loves attention. Our teenage kids aren't taking care of him like they should and our big old dog is not taking a liking to him. He loves cats and dogs and kids. We have started potty training and that's a work in progress. He will come with new kennel and food dishes. There is a rehoming fee of \$200. Located in Halstad MN but for serious people we could meet part way. Text or email with any questions. 7zero1-four3six
