Attention to all females from ages 18-33, I am a young caucasian male who is looking for women (ages 18-33) who would be interested in a paid foot tickling session. That is all that will need to occur for you to be compensated! Simply just a pre-determined amount of time you'd allow myself to tickle your feet is all that you would need to do in order to be compensated up to \$300! The more ticklish the better!! I'd prefer a size 3-6.5 but will consider anything up to a size 9, as long as a Sample photo is included.

If interested please send me the following:

- Your age (MUST BE AT LEAST 18 YEARS OF AGE. NO EXCEPTIONS)
- Your shoe size
- How ticklish your feet are on a scale from 1-10
- Your ethnicity
- Asking price of being tickled on your feet for an hour
- A sample photo of your feet must be attached in order to be!
