Enjoy a great urban living experience with all the amenities in my wonderful condo by downtown Portland and The Pearl. The condo is perfectly furnished with tasteful modern furniture, a full high-end kitchen and a number of pieces handmade to work in the space, including a built-in office niche. Please email for picture.

The building is green (LEEDS certified) and newish. The condo itself totally rocks. It is industrial chic with 10-foot high ceilings, hardwood floors, a mix of concrete and sheetrock finishes and to-die-for views of downtown Portland from the all-glass exterior wall. Everyone that stays here loves their time here.

Everything you need is within walking distance, including 2 Starbucks and a new Fred Meyer superstore, but you also get a covered parking space in the lower level garage plus the MAX line runs right to the building for easy traveling.

All this for rent of just \$2.375 per month rent with a minimum 6 month-lease. Stays of under 6 months welcome at higher monthly rates.
