Location **Oregon**

I'm looking for a business partner/associate for this unique online networking/marketing.

I'm looking for ONE person who wants to team up with me and make some good serious money. I have found 2 solid companies that are amazing, both of them are over 15 years old, very stable, and very Rock solid. I don't have a lot of friends and no family here. I hope by reaching out, someone will see that I am genuine and consider this.

A few key facts:

This is mostly online activities.  
 but we'll talk often on the phone quite often.  
 Both companies are over 15 years of age.  
 You can make your own hours and schedule.  
 ~No selling is required. ~Not a door to door thing.  
 With one company you can make better than average money weekly.  
 But both of them offer longterm residual income types.  
 This opportunity isn't for everyone.  
 If you're "ambitiously lazy", work SmartHard, then this may work for you.  
 I have mentors who make in excess of THIRTY K per month.
