

SAGE is still missing (Eagle Creek)

Location **Oregon**
<https://www.genclassifieds.com/x-503015-z>

Sage is a mature neutered male, medium-long-haired, grey with white paws. Sage is MICROCHIPPED. He had a collar on with his name and phone #

but he may have lost it. Sage is a wanderer and a hunter, and he could be anywhere! He is my little soulmate and I must find him. Please call anytime day or night if you've seen him. Thank you so!
