Looking for 1-2 fellow to help me clean and level a 800 sqft backyard space.

This will require shoveling, and lifting of dirt and bricks. Desire someone with a truck with a towing hitch to help bring a machine to help level the yard space from home depot which is about 1 mile away. We would like someone who can also haul away extra dirt, debris and fencing material.

I am seeking a responsible person with their own equipment to mow a tiny front lawn in summer and shovel snow in winter. Snowblower a plus but some hand shoveling will be required. Also, spring and fall clean up for tiny 6 back.
