

English Speaking Lawn Service (30, USD)

Location **Oregon**
<https://www.genclassifieds.com/x-503083-z>

Our basic service starts at \$30 per week, and includes all of the following:

- Weekly mowing and blowing
- Bi-weekly edging
- Fertilization program with golf-course grade fertilizer
- Controlling weeds in the lawn
- Controlling moss in the lawn
- Balance pH in the soil with limestone application
- Over-seeding bare spots as needed
- Raking leaves during the fall

Additional services are available, such as starting a new edge in the flower bed, hedge/bush trimming, over-seeding, aerating, dethatching, and of course seasonal clean-ups (like those weeds!). Now is the time for those spring cleanups.

Phone calls will get a faster response, but feel free to email us as well, as we check it regularly throughout the day. If we don't answer when you call, please leave a message as we are a full-time lawn and landscaping company, we are often on the other line. But we will call you back if you leave me a message. If you do email, we find it easier if you also provide your address so that we can let you know when we can service your property if it is in our service area.

We are able to provide free estimates of our work, but feel free to visit our site for more pictures and average prices.
