740 S Columbus Blvd MEREDITH SCHOOL DISTRICT! Introducing Bridgeview, the most anticipated new luxury townhome development to revolutionize Queen Village! Hand crafted and precision engineered to display our commitment to excellence, this eye catching 75 unit townhome development will stimulate your senses and enthrall you visitors! Set on 3.5 acres of pristine Delaware River waterfront property, this exclusive community features parking for each unit, breathtaking landscape design, stunning water features, and 5 pocket parks; including a dog park and playground. And that's not even the start! Each 3 bedroom / 3 bathroom home is a masterpiece in its own right! Stroll through the front door to unveil an exceptional open concept living room and dining room with connected gourmet kitchen. Your spectacular chef's kitchen is outfitted with top of the line GE stainless steel appliances, sparkling natural stone counters, and custom European style cabinetry. Follow the stunning dark Acacia hardwood floors to the second floor where you will find two well-appointed bedrooms fit with massive double hanging closets and accompanying spa style bathrooms. Next make your way upstairs to bask in the crowning jewel of this incredible luxury townhome; an expansive 700 SF Master Suite fit for royalty! Your elegantly handcrafted master suite features spacious his and her walk-in closets with built in shelving and an exquisite master bathroom that leaves nothing to be desired. Spoil yourself in the custom-built open design shower, crafted with large format European porcelain tile, riverstone flooring, and dual shower heads. As if that's not enough, we have also included a full sized finished basement for added storage and a sweeping rooftop sundeck with attached wetbar! Come join us today for a showing, take in the breathtaking waterfront views, and discover why Bridgeview is the only way to go in style. Don't wait! Join the ranks of the elite and be the first to pamper yourself in the pinnacle of luxury living! Limited time
