Precious Raven is a 5 month old Tortoiseshell kitten wanting to be your best friend! She is super outgoing and loves meeting people. She is incredibly sweet and wants nothing more than to climb up into your lap and snuggle up. She adores affection and once you start giving her head and chin scratches, she'll purr seemingly for hours! She is very active, playful, and adventurous so the first thing she does when in a new environment is sniff around and look for something tasty to eat or something fun to play with. She loves fuzzy toys and balls with bells in them. Raven doesn't mind the company of other kitties and wouldn't mind having a furry friend to pounce on! She is microchipped, spayed, and current on her shots. If you're looking for a little girl with a wonderful personality, look no further! Raven may be the one for you! She's available at our Waggin' Tails Adoption Center in Benbrook so swing by today. We're open daily from 12-6.
