Hi, my name is James! In my foster home I was also known as "Hotshot" cause I love to race around and act like big man on campus. I came to HSNT as part of a larger group of my family who was rescued from a rough situation. I was scared and didn't really want to be held or touched, but then I was taken home with my sister by one of the staff to help get me used to human contact and teach me how to be a kitten. I got to learn what a dog was and that they aren't so bad, they make great mountains to climb to get to the furniture! There were also other cats for me to play with (some of them needed to learn how to play though, they didn't do it right!). I liked my foster home, but I'm ready to find my fur-ever family who will play and love on me all the time and let me just rule the roost. I'd love to find a home that has a kid or two and maybe even a dog, but definitely another kitty who I can play with! I have been neutered, am current on my vaccinations, and microchipped so I am ready to go home today! Come and see me at the Waggin' Tails Adoption Center in Benbrook. They are open daily from 12-6pm.
XOXO, James
