

# Looking for Musicians

Location **Washington**  
<https://www.genclassifieds.com/x-503248-z>

Major Record Label reps are searching for the BEST unsigned artists and musicians in the region and we are here to provide a great opportunity for you to perform while they scout!!! Meet the reps and build a relationship with industry decision makers.

Be scouted by Major Record Label Reps, increase your fan base, network and meet other talented artists/musicians to collaborate with. This is a great opportunity for performers to come out and showcase their talent live directly to the music label representative!

The label rep will be taking your demo/press kit after you have performed on stage. This is a red carpet event with press and media and a special opportunity for networking with the music industry elite. Interested performers may submit links to their music page or website to the email listed in the header for consideration.

Please send the following information in your email to us:
