PAINTER!! LICENSED AND INSURED.... I paint interior and exterior for fair prices and complete the job in a reasonable time. I PREP! (The prep work is 75% of a job. And unless handled properly, the final coat of paint will inevitably fail sooner than expected and cost the homeowner more money.) I leave the work area cleaned. I have excellent, verifiable references to show my workmanship and reliability. (see my web site at: <http://www.personaltouch.synthasite.com>) for more pictures and specials see: PERSONAL TOUCH PAINTING on Facebook..

I have a painting crew for large jobs. Need to stain your deck, power wash your home?

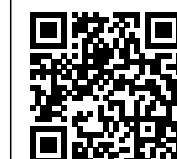

Thank you for your interest
