Hi,

I'm Kyle and I'm your friendly neighborhood wedding photographer. I'm Northwest born and like to think that I have pine trees sprouting from my skin and sun-soaked glacial runoff coursing through my veins. Aside from photographing weddings, I enjoy good hikes as much as indie flicks, comic books, carving powdery slopes, rock climbing, and NBA basketball games.

I like to share these details because I strongly believe that connecting with your wedding photographer is as important as loving their imagery. I also like to spend quality time with my clients so that we can get to know each other, whether that be over a cup of coffee or a pint of beer. When it comes to the day of your wedding, it's my hope that you'll feel like you're spending time getting photographed by a friend rather than just any random photographer. If my work piques your interests, let's get together and talk about your wedding day plans!

I offer all the services you'd expect from a professional wedding photographer, including full wedding day coverage, engagement sessions, albums, prints, photo booths, a second photographer, etc. If there's anything else you need I'll make it happen. Packages usually range from \$1,850-\$2,500. Please visit my site to view more of my work and/or inquire for more specific details.

I look forward to meeting you and your fiancé!
