Location **Vermont**  
<https://www.genclassifieds.com/x-503443-z>

IN STOCK AND READY TO GO!!!!

FREE VENTING FOR THIS WEEKEND ONLY!!!!

This Pellet Stove is 55,000 B.T.U.'s and can hold up to 80 lbs. of pellets in the hopper (heats up to 2500 sq. ft.) You can run this unit on a thermostat saving you thousands of dollars in heating this year. To make cleaning and maintaining your stove easier this has a self cleaning burn pot and a very large ash pan. This unit doesn't need a hearth because it has its own built in, and it is a very easy unit to install. We can also provide the venting and installation as well.

For this weekend only if you purchase this stove you can get free venting for a direct vent install!!! Valued up to \$211.00!!!

These are not cheap box store stoves. These are very high quality pellet stoves made by the Enviro Corporation. These are "Vista Flame" pellet stoves for sale. It is the exact same stove as the Enviro M55, just a different label.

The M55 is being sold locally for \$3779.00. Don't miss a chance to save lots of money if you now heat with oil or Propane.

This stove needs 4 inch venting which we keep in stock and ready to go at all times. If you want to vent it straight through the roof it takes 20 minutes. To vent it out the side it takes 40 minutes. To vent it out the corner it takes 1 hour. To vent it out the side and then through the roof it takes 1 hour. All prices are for a 20 foot run. If you need more than 20 feet we can take on extra for you for an extra charge. If you are within a 20 mile radius of our store.

Are finances a question?? Look no further! We offer financing for those who qualify for an extra \$85.00 for this stove! We can even add the venting and installation on to the financing also!!

This stove is a new unit, this means it comes with the full parts warranty! No games, just saving. Also, we are a full service REPAIR stove shop, some places in the area like to say we are not real but we
