Jeep wheels and tires (1450 USD)

Location **Vermont** https://www.genclassifieds.com/x-503445-z

Sold my Jeep Sahara and now have 5 tires and rims from Jeep Sahara that I purchased as a spare set. IN the pictures I compare the spare which was not used to one of the other tires - I was told that there is less that 1000 miles on the used tires and they look it.

I believe that these are standard wheel package on 2013, 14 & 15 Jeep Wrangler Sahara.

This size tire alone is \$189 each plus mounting & balancing - And these are already mounted & balanced on these beautiful rims.
