

New Planetary Drive Skid Steer Auger Attachment w 2 bits (2495, USD)

Location **South Dakota**
<https://www.genclassifieds.com/x-503479-z>

Brand new planetary drive auger attachment for skid steer loaders. This is a sealed, planetary gear reduction drive head complete with hoses and flat face couplers. Includes two standard duty bits - 9" and 12" for only \$2495. Other bit sizes from 4 - 1/2" to 36" available. Call for pricing.

Bi-directional pivoting, self-centering auger head, 2" hex drive connection to bits for non-slip performance in difficult soils. Universal attachment plate to fit most makes and models of skid steers. Specs: 3000 psi, 2600ft/lb torque. Does not require high flow - works on machines with 15-30gpm rated auxiliary hydraulics.

We also sell pallet forks, buckets, grapples, tree/post pullers, backhoes and more! Call Scott @ Arbor PRO Equipment in Aberdeen for more info. .
