Handyman

I am experienced in most phases of construction and remodeling. I am licensed, bonded, and insured. I have been in the construction field for 16 years. I have affordable rates(hourly or bids). I am dependable, and honest. If I say I'm going to be somewhere I'll be there. I have the tools, knowledge, and drive to do just about anything. You name it, I can probably do it. If I can't, I have many contacts in most fields of remodeling. If I can't do it, I'll tell you I can't, and probably can direct you to someone who can. I have excellent references on request.
