

2002 Chevy Avalanche (3900 USD)

Location **Tennessee**
<https://www.genclassifieds.com/x-503564-z>

2002 Chevy Avalanche
247,315 miles
5.3 liter Vortec engine
Z71 offroad package 4x4

Power windows, power seats, heated seats, Onstar capable, am/fm CD player, roof rack, towing package, room for five adults, rear window removes and seats lay down to offer a larger bed.

Could use- driver side window switch (\$44), tailgate handle assembly (\$22), has oil leak in rear main seal thats not bad but to replace would cost (\$600-\$800), tires are at 50 % tread. Scratches and dings similar to that of a 13 year old daily driver truck.

Otherwise- truck starts every time hot or cold. A tune-up will be getting done this weekend. 4x4 works great! This is a reliable truck that I would drive across the country tomorrow and with working 4x4 \$3900 is a fair price. Kelley Blue Book valued at \$4,394.00 in "fair" condition.

If interested please text only -

Thank.
