

Pedigreed American Blue Rabbits (40 USD)

Location **Texas**
<https://www.genclassifieds.com/x-503609-z>

We have several young litters of quality Pedigreed American Blues, American Whites & a few quality American Blacks. Americans are a Large, Heritage Meat breed rabbit, producers of large litters, with a grow out rate of 10-12 lbs. They are said to have the bluest coat of any rabbit. They are gentle in temperament, and more heat tolerant than other breeds. Our lines were shown at 2014 National Convention and received BOSB in Youth, they have also placed well at shows in other states. We are members of the A.R.B.A. (American Rabbit Breeders.)
