You pick the home of your choice from the tens of thousands that are for SALE by Realtors across the Dallas /Fort Worth Area.

* Houses for SALE are generally of a much better quality than a place for rent.

* The only requirement is that you do what you probably are already doing.... Sign a one year lease at Market Rent for the house.

* You can continue to rent the house for 1, 2 and even up to 3 years.

* At the end of each Lease you can leave and owe NOTHING if you have complied with the lease.

* If you want.... you can purchase the home at ANY TIME with a WRITTEN and GUARANTEED price that was given to you BEFORE you moved into the house.
