

AVOID DefiNet Contact SCAM ALERT

Location **Tennessee**

Nashville Internet marketing firm DefiNet Contact also SCREWED our business. They withdrew money automatically from our bank account and never performed the work. Their email marketing service generated ZERO leads. DefiNet Contact's autoplay video overlays DO NOT WORK ON MOBILE INTERNET DEVICES now used by 70% of consumer, so its a waste. I DO NOT RECOMMEND STAY AWAY from DefiNet Contact. Their reputation is horrible in Nashville Tennessee
