

Need 2 people to help pack moving pod on Friday June 19 (Nashville)

Location **Tennessee**

Hi,

I need 1 Person with a pickup truck to help me move a dining room table appx. 3 miles. After we move the table I need help packing a pod storage unit. I am moving from a 1-bedroom house (so not very much furniture). Shouldn't take more than 3 hours.

I also need 1 person with just a regular car to meet us at the location to pick up the dining room table and help us load it into the truck / help us pack the pod. Again, shouldn't take more than 3 hours total.

We need to meet at 3:30 to move the table.

Please let me know if you either have a truck or if you are just interested in helping with the move.

Pay is 12 an hour. Please send me an email with your phone number so I can call you.

Thank
