My name is Amy Lynn and I have been offering occasional babysitting in the Tippecanoe area for 10+ years.

My experience with children includes live-in nanny jobs, occasional babysitting and 6 months as a temporary legal guardian. I also have a bachelor's degree from a UW school. I am self-employed in other areas as well. I usually travel about once a month.

Often times I am available on short notice. So, if something suddenly comes up or another sitter cancels, feel free to call or text me. The hours I generally babysit are between 9am and 3am.

****Please note that I cannot book any family on a standing basis (every Tuesday afternoon, for example). I offer occasional care only and don't book more than a week in advance.**

The closest major intersection to me is Howell and Howard. I'm open to families within 5 miles.

\$10/hour for 1 child
 \$15/hour for 2 children

Thanks for reading my posting. If you are interested, please email me at amy lynn swiatczak @ yahoo dot com (all together).
