Doesn't dinner and a movie sound great? A relaxing night away from your kids? Perhaps a romantic overnight at a hotel? Yes, I'm available most nights, so book me and make your plans. I'm experienced, dependable, warm, wonderful, and I'm looking forward to hearing from you soon. I am an experienced mother of two, a grandmother, a retired elementary school teacher and my infant & child CPR & First Aid training is current so you can have complete confidence in my skills. Germaine S.

Yes, I'm available tonight, June 13.

...

I'm a recently retired special education teacher with a masters degree in early childhood development. I have raised two children who are now well educated capable adults. My personal library contains hundreds of children's books, children's songs and educational materials, plus boxes full of craft items. My usual rate is \$12 per hour for one or two children. There may be a slight extra charge for larger families. If you need someone for a long day (for example, if you are attending a wedding & reception) or need someone for overnight or a weekend we can discuss appropriate compensation (for example \$12 per hour for the first six hours and less per hour for the additional hours). I live in Greenfield, near the freeway, and I will provide my own transportation to your home. There is a three hour minimum. During the school year I am available evenings and on the weekends.

I also provide experienced care for differently-abled children, teens and adults, my base rate for special

needs care is \$15. per hour for a child with mild special education needs or care for the elderly. The cost of care is the highest depending on the special abilities of the child, teen, or adult and on the location of the home.

I am also free to provide care to all children, teens and adults who need care for a short time, a minute for "emergency" child care. It would appear that they need to book a more reliable baby sitter.

Please list WWW GC (Warm, Wonderful Woman who provides Child Care) in the subject line so that I know that it isn't spam. I'm looking forward to hearing from you and meeting your child/children. Thank you, Germaine S.

S. I am also available as a preschool/elementary school tutor (with a focus on Reading/
