

Guinea Pigs

Location **Wyoming**
<https://www.genclassifieds.com/x-503838-z>

5 Guinea Pigs for rehoming in Casper WY. I would love to keep these cute cuddly babies but my Dr. gave me orders they have to go, allergic to them. There are 2 males, 3 females. 1 male and 1 female aprox 5 months old, the others are about 3 months old (sorry can't be more specific pet store couldn't tell me how old they were to begin with) if taking all 5 I will include everything they have. If you don't want them all I have to keep stuff till they are all gone. The Males and Females have been together (separated by sex) and are quit attached to one another, so if possible would love to keep the males together and the females together. Both sets m/f come with their large tote, water bottles, chew toys, ball, running wheel and homemade fleece bedding. If taking them all you can also have the cage cleaner, small animal cleaner, hay and food. I am asking for a rehoming fee of \$15 each or \$50 if you take them all (OBO). Will not ship them, you must be able to pick them up. I can send picture upon request via phone.

If interested please give me a call or text
