75 gallon tank, stand & lid for sale. \$80 obo.  
 Tank is in great shape. Held water before I started using it for my bearded dragon. I will clean it out for you.  
 Comes with glass versa top & light strip if you want, no extra charge. I also have a bunch of sand if you want for a reptile, along with a few other heat lamp fixtures.  
 Stand is also very sturdy. Solid wood and was refinished a couple years ago.  
 Only bad spot is rust in the screen lid. This is shown in the pictures.  
 You will need to come pick up on weekends or evenings after 6:30pm.
