Hi I have a male Pomeranian that I must rehome he is 3years old he is neutered up to date on shots and has been dewormed. He is ack and ckc registered but will not be coming with his papers because for one I dont have them but I could order them and for two he will be going to a PET ONLY HOME! He has had the white on his face since he was a pup I think it will spread more He also has white on his paws. There is a \$150 rehoming fee to ensure he goes to a forever loving home. Email if interested . Pictures were just taken .he will come with his harness and leash and food and.
