

Cheap Same Day Computer Repair Service With Free Diagnostics and Antivirus (Milwaukee and Surrounding)

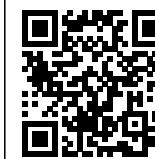

Location

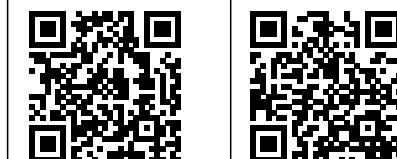

Wisconsin<https://www.genclassifieds.com/x-503879-z>

I have 22 years experience fixing computers and charge less than anyone so if your computer is running slow, has viruses or not working, whatever the issue may be, I can fix it for you. I am available 7 days a week and also do on-site work if you can't come to me. I guarantee all of my work and have lots of references upon request.

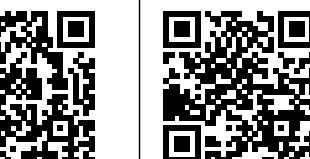

My name is Jeremy and you can reach me anytime
