Hello! My name is Angela with Daisy Home Cleaning LLC. I am the owner and operator of this business. I do not have any employees and do all the cleanings myself. For the past 8 years I have been cleaning customers' homes. My prices range from \$60-\$120. The pricing depends mainly on the frequency of the cleanings and the size of the home.

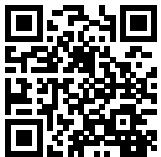

Here is a snapshot of the things I typically clean in a house: bathrooms (scrub sinks, showers, toilets, and floors), kitchens (wiping down countertops, cleaning top of the stove, cleaning inside of microwaves/small appliances, wiping down the tops and fronts of appliances, and scrubbing the sink), vacuuming all carpeted and hard floors areas desired, damp mopping hard floor areas, dusting all surfaces. I also polish all stainless steel appliances, even the kitchen sink. Here is a list of things that I do extra (but not for extra money) done on an as needed basis: dusting ceiling fans, blinds, light fixtures, etc. Occasionally, my customers will write me a note asking me to do a little something extra in an area of their house. I encourage this as I want to make sure my customers are happy!

Most of my customers are cleaned on a bi-weekly basis, however I also have some customers that prefer monthly cleanings. I also do one-time cleanings. I travel around the Milwaukee area and will travel as far north as River Hills; as far west as Brookfield, New Berlin and Muskego; and as far south as Oak Creek. I just graduated from MATC with an associate degree in Criminal Justice. Please call or text me at for more information. References are available. Looking forward to hearing from you! Thank you and have a great day!
