Hi, I am looking for a ride from Orem/Provo area down to St. George any time after 12:00 on Sunday, June 14. I am a friendly and personable 20 year old female. I'm willing to pitch in a bit for gas or buy you coffee or whatever for the ride. I will have a large duffle bag and a backpacking pack as well. So if you are looking for some company, someone to split gas with, or some coffee for your drive please let me know! text for fastest response. Sarah.
