Hey ya'll I'm coming to salt lake next week and need a place to crash for a few days. I get in Monday night and I leave Thursday, so it would be for three nights, Monday night, Tuesday night and Wednesday night, the 15th, 16th and 17th. I was looking at hotels and everything is so expensive so I thought I would try this and see if I found something, kind of like couch surfing I guess. I can sleep on the couch nbd, just looking for something clean. I'm in my twenties, female, will just keep to myself and make sure I'm not bothering anyone. Anyway message me if you think we could work something out and we can figure out a price and all that.!!!
