I work here in Dallas once a month for a week. While I am here I need an attractive female to accompany me for client dinners and mingling. You will also need to deliver lunch a couple times a month to hospitals, imaging centers and Dr. offices. You will work about 10 hrs a month and pay is \$1,000 monthly. You will have company card for lunches.

I am flexible and will know dates needed a couple weeks in advance. I need someone very.
