Have you ever wanted to have professional high-quality photos taken of you in a glamour and nude style? Have you been wanting to get into the glamour modeling field? If so, please put your cell phone cameras down. I am only making this offer to a few select women that are looking to shoot on a TF basis. That means I will not charge you for the photo shoot, but you will receive copies of 30 or so processed images. I will require a signed release to cover all legal aspects of the shoot. You must be 18+ and be comfortable with your body and nudity. Please send one or two recent photos (clothed or nude-if you wish) so I can determine if you meet the requirements of the look I am seeking for my portfolio. Samples of my work available upon request so you can verify the quality of photos you can expect.
