RECENTLY SPOTTED IN VIRGINIA UNION AREA - STILL HAS LEASH ON

Our dog ran off on Memorial Day after our car was hit by a drunk driver in the city.
He is a white and brown male pitbull. He was wearing a red harness and leash last time we had him.

He is sick and needs to start treatment ASAP plus we miss him and are so worried about him!

Please phone/email if you have seen him or if you have him

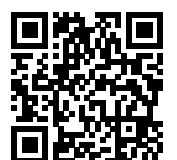

CASH REWARD FOR HIS SAFE
