

SAHM offering FT amp PT care a 1 yr (7,,28 USD)

Location **Virginia**
<https://www.genclassifieds.com/x-503970-z>

As a Mommy myself I provide the same type of care that is important to me when it comes to my own children. Leaving your child with a provider can be a tough choice. As a parent I want you & your child to be 100% comfortable with the time spent in my care. I have run a daycare out of my home for numerous years which has given me the opportunity to be @ home with my own children. I was also a Nanny for a family for almost a year.

Full time care will be provided for children ages 6 & under (I do NOT keep children older than the age of my oldest child & try to keep children of similar age in order to encourage age appropriate socialization & growth while in my care)

We have fun while learning

Each day will be filled with new adventures!

We play with paints,dirt,cook (age permitting) & are always finding new ways to learn and explore.

I am located on over 2 acres of land so there is plenty of yard filled with a swing set, Little Tykes play equipment and much more.

Each child has a separate sleeping area as I do NOT believe in " community naptime "

I have a designated playroom in my home but the children in my care are NOT isolated to this room as they would be in a daycare setting.

Please contact me if interested in my services offered.

Rates for children ages 1- 7 years vary based on your care needs.

My hours are 7 am - 6 pm

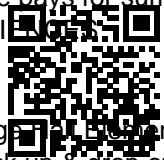

I provide snacks, juices & 1 meal per day

There is a \$50 summer activity fee payable at time of start for children ages 1-7

~~This fee pays for summer toys, crafts, special themed meals, etc. THIS FEE IS A ONCE A YEAR FEE THAT ALLOWS US TO EXPAND OUR LEARNING~~
